

Travis has a keen sense for not only uncovering potential problems, but seeing opportunities that others may not notice. If you need a true thinker who can also produce work that has measurable business results, then Travis Sheridan should be on your speed dial.

Michael Dunn
D U N N brand agency

Travis played an instrumental role in helping our company through rapid change. He attends to every subtle detail to ensure the participants are fully involved. He is a dynamic speaker with a humble confidence that makes him very approachable.

Ross Yukawa, Art Director
ASTONE

Travis is a consummate professional, who intrinsically understands how to meet and exceed client needs. I'd completely trust him to masterfully formulate and execute any communications or business plan.

Elena Cristiano, PR Consultant

Working with Travis was an absolute joy. Incredibly intelligent and charmingly witty, Travis' humor and joie de vivre was apparent in all he did and every project he touched.

Celeste Barron, Writer
VERITAS

What sets Travis apart from others is his desire to learn and maintain an open mind. Recognizing that business is always changing, he stays abreast of business trends and is able to provide unique insight as a result.

Tim Sudiagal, Principal
Satoria Productions

re:commended

Changes happen at a rapid pace. You can **remove** this portion and **reference** it when you need a brick to add to your foundation. **Revisit** my online **resume** often. I will keep my information up to date.

Regards,
